

Nova

Modern feminine hygiene unit

Range

Feminine Hygiene

Product Code

LAD BIN MK4 PDL

Nova is the next generation in the range of feminine hygiene bins from Kennedy. Following in the footsteps of the Intima bins, this is further improved market leading unit.

Available in 22 L capacity, it has a modern and compact design for optimal floor space. User friendly and robust, it can be used for liner exchange service. The Nova embodies exceptional functionality, quality and unique service-friendly features.

The Nova range is available in foot pedal and in electronic no-touch version.

Finishes available

Benefits

Hygiene and image

- Elegant, functional and modern
- Foot pedal model for hands-free operation
- Ergonomic pedal for either side or front activation
- Slow and silent flap for discreet user experience

Ease of service

- Reversible top cover for easy location either side of the cubicle
- Slim design to fit in smaller cubicles
- Designed with soft edges to aid cleaning
- Recess in the back of the cover to ease carrying
- Side latches for easy opening of the cover and liner fitting
- Smaller flap to avoid disposal of unsuitable waste
- Compact mechanism of pedal

For extra hygiene

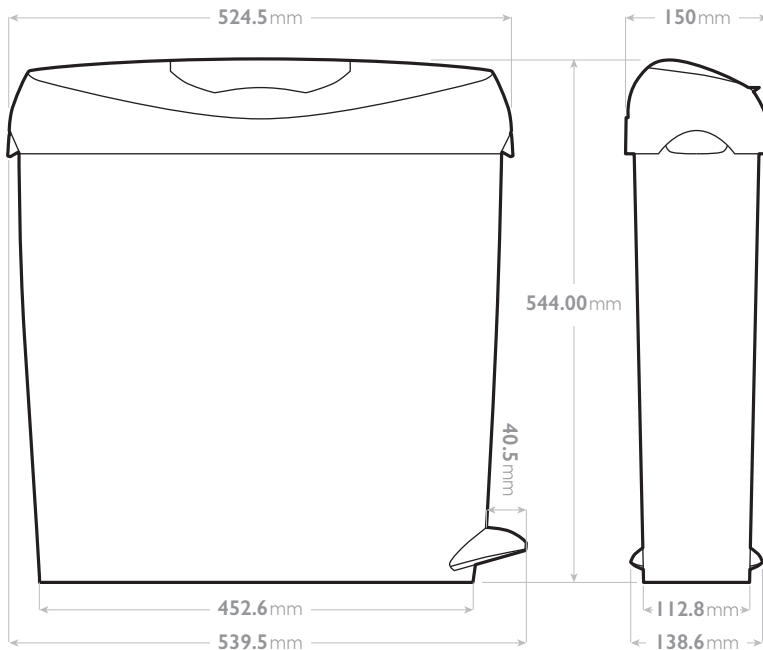

- Snap in/out protective flap insert - protects against soiling and aids super-fast and hygienic service
- Reinforced drawstring "easy closing" bin liners
- Germicidal powder sachets

Kennedy

INTEGRATED HYGIENE SOLUTIONS
